IMPORTANT INFORMATION

The City of Stevens Point is committed to conducting its recreation programs and activities in the safest manner possible and holds the safety of participants in the highest possible regard. Participants and parents registering their child in recreation programs must recognize however, that there is an inherent risk of injury when choosing to participate in recreation activities. The City of Stevens Point continually strives to reduce such risks and insists that all participants follow safety rules and instructions which have been designed to protect the participant's safety.

Please recognize that the City of Stevens Point does not carry medical accident insurance for injuries sustained in its programs. The cost of such would make program fees prohibitive. Therefore, each person registering themselves or family member for a recreation program/activity should review their own health insurance policy for coverage. It must be noted that the absence of health insurance coverage does not make the City of Stevens Point automatically responsible for the payment of medical expenses.

WAIVER AND RELEASE OF ALL CLAIMS

Please read this form carefully and be aware in registering yourself or your minor child/ward for participation in the program/programs, you will be waiving and releasing all claims for injuries you or your minor child/ward sustain arising out of the program/programs.

I recognize and acknowledge that there are certain risks of physical injury to participants in the program(s) and I agree that full risk of any injuries (including death), damages or loss regardless of severity which I or my child/ward may sustain as a result of participating in any and all activities connected with or associated with such program(s).

I agree to waive and relinquish all claims I or my child/ward may have as a result of participating in the program against the City of Stevens Point and its officers, agents, servants, and employees.

I do hereby fully release and discharge the City of Stevens Point and its officers, agents, servants and employees from any and all claims for injuries, (including death), damage or loss which I or my minor child/ward may have or which may accrue to me or my minor child/ward and arising out of, connected to or in any way associated with the activities of the program(s).

I further agree to indemnify and hold harmless and defend the City of Stevens Point and its officers, agents, servants and employees from any and all claims resulting from injuries (including death), damage and losses sustained by me or my minor child/ward and arising out of, connected to or in any way associated with the activities of the program (s).

In the event of any emergency, I authorize City officials to secure from any licensed hospital, physician and/or medical personnel any treatment deemed necessary for me or my minor child's/ward's immediate care and agree that I will be responsible for payment of any/all medical services rendered.

I have read and fully understand the Program details, Waiver and Release of All Claims and Permission to Secure Treatment

WHAT IS I.S.I.?

ISI stands for “Ice Skating Institute” and was developed in 1961. ISI is a recreational program used worldwide and has been developed for those who skate for recreation and enjoyment. The program objective is to develop good skating skills, and encourage people to skate more often.

DESCRIPTION OF CLASSES AND SKILLS DEVELOPED

- Pre-Tot (Age 3):** Introduction to skating for 3 year olds only. Fun, balance, and self-confidence are stressed. Child will learn how to stand, fall, and get up by themselves. Skills will progress to marching and gliding on 2 feet.
- Tot 1 (Ages 4-6):** Beginning class for 4-6 year olds. The child is instructed to stand, fall and get up by themselves. Pushing with each foot and 2 foot glides are taught as well as forward and backward wiggles.
- Tot 2 (Ages 4-6):** Skater should be able to push with each foot. One foot glides are taught as well as forward and backward swizzles.
- (Ages 7+)**
Pre-Alpha: Skater is instructed on how to fall and get up correctly. One-foot glides are taught as well as forward and backward swizzles.
- (Ages 7+)**
Alpha: For the skater who has accomplished one-foot glides on each foot. Forward stroking, forward crossovers and the snowplow are taught.
- Beta:** Backward skating is perfected here. Backward stroking, backward crossovers and T-stops are taught.
- Gamma:** Mohawks, outside 3 turns, hockey stops are taught.
- Delta:** Inside 3 turns, forward edge rolls, lunges, tap toes, and shoot the duck are taught.
- Freestyle 1:** Introduction to Freestyle skating. This class is for those who have mastered the basic skills of skating as described above. Waltz jumps, 1 foot spins, backward edge rolls and forward spirals are some of the skills taught at this level.
- Stars On Ice I/II:** This class includes Freestyles 1, 2, 3, and 4 skills. Freestyle 1 skills will be reviewed while introducing skills from 2, 3, and 4, which may include salcows, toe loops, back spins, and back spirals. Plus more advanced spirals, footwork, and program building.
- Artistic/Power/Moves:** This class is geared toward Freestyle 1 skaters and higher. Each week we will do something different. Artistic will improve skating to music. Power skating will improve speed. Moves will improve edges.
- Adult:** Adults will work at their own pace in a non-structured atmosphere.
- Off Ice Strength, Poise, and Conditioning:** This class is open to Gamma, Delta, and all Freestyle skaters. Class will involve off ice exercises focusing on improving muscle strength and flexibility along with incorporating ballet techniques into skating.

HOW TO DRESS

The arena temperature is generally between 40 and 60 degrees, depending on the outside temperature. All ages beginning with Tots through Gamma should wear slacks, sweater, light jacket, hat and mittens. Loose fitting clothing is recommended for skating to give more freedom of movement. Skating dresses, skirts, sweaters, and tights are advised for Freestyle levels.

HOW TO FIT AND LACE SKATES

Seldom will you wear the same skate size as street shoes. Up to size 4, you will probably take a half-size smaller in a skate. About size 4, you will probably take a full size smaller. Exceptions are those with an extremely wide foot, they may be expected to wear the same size. Remember, the snugger the fit, the better the support for your ankles. Loosen the laces to put on the skates. Once on, the skate should be tied snug, not tight, all the way up the skate, especially around the ankles. If tied too tightly at the top, you may restrict circulation. The Skate Shop will be open to assist you in the proper fit of your skates.

GENERAL PROGRAMS POLICIES

- ✓ Class fees must be paid at the time of registration or included with mail-in or drop-off forms.
- ✓ No phone-in registration will be accepted.
- ✓ The Willett Arena does not send confirmations. If the class is closed, you will be notified.
- ✓ The Willett Arena reserves the right to cancel classes with insufficient enrollment (a full refund will be issued).
- ✓ Due to class structure, **NO MAKE-UPS OR CLASS SWITCHING** is allowed for any reason.
- ✓ No Refunds or Class Make-ups for Weather Events.

SKATE RENTAL

We have over 300 pairs of rental figure and hockey skates ranging in sizes from a child's 7 to an adult's 13. We are sure there is a pair just for you. **Fee - \$4.00/pair.**

LOST & FOUND

All lost and found articles are located in a barrel just inside the Skate Shop. Items such as billfolds, watches, and jewelry will be kept in the office. All unclaimed items will be donated to Goodwill Industries.

Saturdays & Sundays
